### Biographical Statements

Andrea Dixon Rayle, Ph.D., LAC, NCC, is an Assistant Professor of Counselor Education at the University of Florida. Her research interests include adolescents, wellness, mattering, and meaning making, school counseling, school counselor education, and multicultural counseling with racial/ethnic diverse individuals. She has published in the areas of wellness in adolescence, meaning and mattering in adolescence, racial/ethnic minority adolescents, and multiculturally competent counseling.

Holly J. Hartwig Moorhead, Ph.D., LPCC, is an Assistant Professor of Counseling and Human Development at Walsh University. Her research interests include integrating wellness approaches in working with individuals across the lifespan, specifically, promoting wellness-based treatment interventions with adolescents and at-risk youth.

Judy Green, Ph.D., P.C.C., NCC, NCSC, is an Associate Professor of Counseling and Human Development at Walsh University. Her professional interests include grief and trauma counseling, working as a volunteer mental health counselor for the local Red Cross, women's issues, child and adolescent counseling, and training both school and mental health counselors.

Caryn A. Griffin and Barbara Ozimek are master's level graduate students in Counseling and Human Development at Walsh University. They share professional interests in school counseling and the health, wellness, and academic success and persistence of adolescents in schools.
